

INSPIRATION GALA 2010

Inspiration springs eternal with the fundamental changes we all experience in the economy and the world around us. In the face of tremendous natural and economic disasters, communities around the world are coming together to find a way to rebuild homes, neighborhoods, cultural life and community. We cherish these stories of inspiration and the opportunity to share them with you.

 Asian Community
Development Corporation
23 Years of Community Building

Your work is an inspiration to all who aspire to help make our communities better places to live.

~ Congressman Barney Frank
